## Health and Hygiene:

OSHC staff sterilise equipment and surfaces. Children are encouraged to regularly wash their hands. Parents are requested to wait in the hall foyer. OSHC staff will sign the children in and out of the program. Children will have their temperature taken before admittance and they also need to sanitise their hands.

## Food:

Please send a packed lunch, a snack for morning and afternoon tea and a refillable water bottle.

There are children with allergies and/or dietary restrictions so sharing food is avoided.

As St Roch's has students with allergies to nuts we ask that no nut products are brought to the program. Due to current government arrangements we are unable to participate in any food preparation activities.

## Personal belongings:

Weather permitting, your child may bring a bicycle, scooter or skateboard with appropriate attire.

All items brought from home should have the child's name clearly labelled to prevent lost property.

Please note that St Roch's OSHC staff are not responsible for any items brought to the program.

We ask that you respect our policy on the banning of all electronic equipment, including mobile phones.
